I can attend. When you have a minute, can you stop by and let me know what you think they mean by "taking over the program?" that sounds like FIP world.

Vince – We will be unavailable on Thursday. Anne Idsal is going to be in the office that day.

I am available tomorrow afternoon, if that works for you.

What in particular would you like to discuss? I'd like to make sure I get the right people on the invite.

As you know, the comment period for the supplemental proposal ended last week. The comments are all posted on regulations.gov.
